SRC DETAILS

- Our Summer Reading Challenge is open to patrons of all ages—babies, kids, teens, and adults. Everyone is welcome!
- Registration opens on Monday, May 19. You may sign up online using our website, the Beanstack app, or by stopping by a service desk at the library.
- Track your reading digitally or on paper. (Paper reading logs available at the library or can be downloaded and printed at home from our website.)
- Readers of all ages are invited to track each day that includes reading of any length—5 minutes or 5 hours. It all counts! We made this change to improve accessibility to the program and to optimize it for every age reader. To complete the challenge, readers must log 30 days of reading over a ten-week period (May 19 – July 26). Final prizes available starting June 18th.
- Celebrate your reading with our family-friendly Summer Reading Finale on July 26! We'll be celebrating by cooling off outside with water!

BEANSTACK APP

Download the app for iOS or Android, click on the app icon, search for "West Des Moines Public Library", and create an account or log in using your Beanstack information.

ACTIVITIES

SPOT SPOTTY

Keep an eye out for our Summer Reading Challenge mascot, Spotty Henderson! Each week he'll be hiding in a new spot around the Children's Department. Tell us where he's hiding, and you'll get a spot Spotty sticker!

SUMMER PROGRAMS

There are TONS of things going on at the library over the summer! Visit our calendar online to find programs, information, and register. Registration occurs on the first of each month.
