SRC DETAILS

The Summer Reading Club is presented by the West Des Moines Public Library to make reading over the summer even more fun! Our Summer Reading Challenge is open to patrons of all ages—babies, kids, teens, and adults, everyone is welcome! Readers of all ages are invited to track each day that includes reading of any length—5 minutes or 5 hours, it all counts. We made this change to improve accessibility to the program and to optimize it for every age reader. To complete the challenge, readers must log 35 days of reading over a ten week period (May 23 – July 30). We have also included some fun learning activities, so be sure to check those out in Beanstack as you go!

ACTIVITIES

- Look for Spotty each week (May 23-July 30) to get a sticker.
- Pick up a weekly activity on Fridays.
- Join us for a free movie and popcorn on Fridays at 1:30.
- Check our calendar for other fun events at the library!

Celebrate your summer reading by attending the **Summer Reading Finale** featuring water-based activities! So, please come ready to get wet. **Saturday, July 30 @ 10am-12pm**

Color in one section each day you spend some time reading or doing other literacy activities. When the picture is completely colored in, you've completed the Summer Reading Club! Come in for your prize!
