All of the above locations are either In-Person or Drop-Off.

In-Person Service: Tax preparation is completed by a Tax-Aide volunteer on-site in one visit

Drop-Off: You visit a Tax-Aide site and leave your tax documents with an IRS-certified volunteer. Your return is prepared by Tax-Aide volunteers working remotely. During a second visit, you work with a volunteer to finalize your return and file it. You leave with a printed copy of the return and your original documents.
